### CENSUS 2021

Sunday 21 March 2021 is Census Day in England and Wales and households should have received an initial contact card with preliminary information by the Census 2021 Team.

- ❖ North Norfolk District Council is encouraging all of our residents and property owners to complete the Census form, either in hard copy or online formats, when asked to by the Census 2021 team as the information provided is so important in understanding the changing structure and needs of our community over time and ensuring that we secure the appropriate level of funding to provide public services in the future.
- ❖ Information provided through the Census will allow for a deeper understanding of the communities and life experiences of people across North Norfolk in terms of health, education, employment, income, housing tenure and transport and inform policy development and funding for public services in years to come - so please complete the form and make sure North Norfolk's voice is heard in this national census.

More information and advice on how to answer the questions is available at [census.gov.uk](https://census.gov.uk).
