# SCULTHORPE MESSENGER

NEWS & VIEWS FROM CHURCH & COMMUNITY

## News from Sculthorpe Parish Church

Have you seen that the flag is flying on the church? We have to thank one of the Lingwood brothers for repairing the flag and then climbing up to the flagpole.

After my appeal for fit, young folk to climb into the bell tower I think the area has had more visitors in the last few weeks than in the last few years!

The bell ringers made a welcome visit so they popped up to do whatever they do to the bells. Unmuffle them I think, however, I am sure David or Sue will put me right next time I see them.

My son in law was visiting from Australia so he went up for a look. There is a lot of nesting material up there that needs clearing out and the wire netting needs a bit of repairing so that the rooks can't get back in but otherwise everything seems solid. There was a very angry bird that took great exception to Grant but hopefully the young will have fledged by now and all will be calm. I do hope so because we have had an offer of help from a young couple that haven't been in the village long and we would like them to come back down the ladder in one piece!

We have also had an offer of help to open/close the church but would still welcome others to enable us to spread the load, particularly at holiday times.

The Village Hall is planning to organise a yard sale in August. Some of you may want to take part but not have a suitable position at home to set out a table. There is space in the churchyard but it is limited so if you would like to take advantage of that then please let us know.

There won't be a Messenger next month so just a reminder that we will be having the next service on July 17th at 5pm and the August service is on the 21st at the same time. Always the third Sunday. Hope to see you there.

The Sculthorpe Craft Fair continues through the summer on the second Saturday of the month. There are new stalls each month, but always the delicious cakes in the pop-up cafe.

## News from Norfolk County Council

### Jubilee Trees for Norfolk - 40,000 cut price trees up for grabs in Norfolk

More than 40,000 trees are available at a discount for everyone across Norfolk, thanks to the launch of a new scheme in the county.

The Jubilee Trees for Norfolk are supporting the Queen's Green Canopy - a scheme to coincide with the celebrations to mark the Queen's Platinum Jubilee - where people from across the UK are invited to 'plant a tree for the Jubilee'.

Half-price tree packs will be available at seven tree collection points including Norwich (County Hall and Broadland Country Park), Acle, Long Stratton, Watton, Fakenham and Kings Lynn). Applications are open from 30 May 2022 and the packs will be ready for collection in the planting season between Dec 2022-Feb 2023.

The Jubilee Trees for Norfolk scheme is being funded to a total of £50,000 Norfolk County Council and the Government through the Trees Outside Woodland project.

Cllr Eric Vardy, Cabinet Member for Environment and Waste, said: "Getting involved with Jubilee Trees for Norfolk and supporting the Queen's Green Canopy initiative is a wonderful way to celebrate Her Majesty's Platinum Jubilee and to improve the environment in both rural and urban areas. In the long term, this will not only help create new habitats for wildlife in Norfolk but also provide a fantastic opportunity for residents and community groups to do something positive for their county. It is also a key part of the Norfolk County Council's response to tackling the challenges of climate change and will help towards our net zero carbon goals as part of our Environmental Policy."

Jubilee Trees for Norfolk is part of the 1 Million Trees for Norfolk project, an ambitious initiative to work in partnership with communities, landowners, other agencies, businesses and individuals across the county to enable one million trees to be planted over five years.

In the 2021/22 planting season, the 1 Million Trees team enabled nearly 45,000 trees to be planted through a range of innovative projects. Now the team is launching new initiatives to get even more trees planted in the 2022/23 planting season.

To apply for Jubilee Trees for Norfolk go to <https://www.norfolk.gov.uk/what-we-do-and-how-we-work/campaigns/1-million-trees-for-norfolk/get-involved/jubilee-trees-for-norfolk-scheme/who-can-apply>

Guidance pages are available for applicants on the Norfolk County Council website, which give more information and help make sure the right trees are planted in the right places.

Tree packs come in a range of bundle sizes and types including hedgerow, wildlife, small trees and taller trees. All saplings, which are between 40-60cm tall, are healthy and free of disease and sourced from carefully selected suppliers. There is a smaller discount on the heritage orchard packs, which are hand selected to pollinate and contain maturer trees.

## News from Sculthorpe Village Hall

Sculthorpe Village Hall was presented with the above plaque recently, after obtaining a grant which was given to all village halls during Covid.

Sculthorpe Village Hall used the grant decorating the hall interior and exterior, WiFi, sound system, projector, electric screen and refurbishing the area in front of the hall to promote the ongoing success of the hall and for the use of the whole village.

We look forward to seeing you at our screening of the Wimbledon finals on Saturday 9th and Sunday 10th July where you can see the new projector and sound system in action.

Bob Francis, Chairman
